

IMPRINTS SLC

HIGHLIGHTS OF GRADE 1 & 2

Shraddha Children's Academy provides a comprehensive academic foundation and instills a love for learning. These imprints are to inform the school community about activities and events, connect with parents, students, and staff to foster a sense of community. It aims to keep parents and students informed about important dates for school trips, meetings, assemblies, and other activities. This provides opportunities for students to discover their potential and become self-dependent.

★ Synopsis

- Assembly
- Annual Day
- In-house competition
- Parent - Teacher meeting

ASSEMBLY

School assemblies are a wonderful platform where young minds come together to learn, share, and celebrate achievements. They help nurture confidence, discipline, values, and a strong sense of belonging among students.

This month, the School Assembly was especially memorable as it turned into a proud celebration of young talent and determination. The highlight of the morning was the distribution of Olympiad certificates, honouring our students for their dedication in academics.

Adding to the joy, we also felicitated young champions who emerged victorious at various Athletic events and State Level Chess Tournament, bringing great pride to the school at such a young age.

The resounding applause from peers and teachers reflected appreciation, encouragement, and inspiration for every child to aim high and strive for excellence.

The assembly truly embodied the spirit of perseverance, confidence, and holistic development, making it a proud and inspiring moment.

ANNUAL DAY CELEBRATION

The Annual Day celebration was a vibrant and meaningful event centered around the theme “NO PLANET B.” Through lively dances, confident narration, and colourful costumes, our young learners took the audience on an imaginative journey across the solar system.

The children explored different planets, showcasing their unique features and environments with great enthusiasm and creativity. As the journey came to an end, they returned to Earth with an important realization — despite the wonders of space, our planet is the only home that truly supports life.

The grand finale beautifully conveyed the powerful message that there is “No Planet B,” reminding everyone of our responsibility to protect and cherish our precious Earth.

IN-HOUSE COMPETITION

The In-House Storytelling Competition was a delightful celebration of imagination, expression, and confidence. The event provided a wonderful platform for our young learners to share the stories they had read during their winter vacation with their classmates.

With expressive voices, lively gestures, and sparkling enthusiasm, the children brought their favourite characters and adventures to life. From moral tales to humorous stories, each presentation reflected their growing love for reading and storytelling.

The competition not only enhanced their speaking skills and stage confidence but also encouraged attentive listening and appreciation among peers. It was heartwarming to witness our budding storytellers narrate with such creativity and joy, making the event both enriching and memorable.

PARENT - TEACHER MEETING

Parent-Teacher meetings play a vital role in building a strong partnership between home and school. They provide a meaningful platform for open communication, allowing parents and teachers to work together to support each child's academic progress, emotional well-being, and overall development.

The final Parent-Teacher Meeting of the academic year was both reflective and celebratory. It offered an opportunity to review the children's growth, appreciate their achievements, and discuss areas of continued support as they move forward in their learning journey.

A special highlight of the day was the display of hands-on activities designed to actively engage the children. Interactive learning materials and activity-based projects across subjects showcased the experiential approach followed throughout the year.

The meeting concluded on a positive and encouraging note, strengthening the bond between parents and teachers and reaffirming our shared commitment to nurturing confident, curious, and enthusiastic learners.
