HOLI CELEBRATION

Our school was filled with colors, laughter, and joy as we celebrated Holi together. The festival reminded us that beyond colors, it is about spreading happiness and cherishing friendship.

PARENT TODDLER SESSION

Parents and toddlers joined us for a lively session that brought the magic of Kindergarten learning to life. Families left with smiles, inspired by the imagination and sense of connection our classrooms foster.

SKILLS AND THRILLS

Skills and Thrills was a joyful platform where students showcased their talents through singing, dancing, storytelling, and more. The event encouraged children to step out of their comfort zones, build confidence, and celebrate diverse skills together. Supported by the cheers of their peers, students discovered hidden potential, nurtured creativity, and created lasting memories that inspired them to pursue passions beyond academics.
