

IMPRINTS SLC

SNAPSHOTS OF GRADE 1 & 2

Shraddha Little Champs emphasises on emotional well-being through arts, activities, sports, and life -skill programmes along with strong academic foundation. This nurtures confidence, independence, teamwork, and instills a love for learning among children. These imprints are to inform the school community about activities and events, connect with parents, students, and staff to foster a sense of community. It aims to keep parents and students informed about important dates for festive celebrations, competitions, assemblies, and other activities. These celebrations imbibe cultural and social awareness, gratitude and responsibility while having fun.

ONAM DAY CELEBRATION

Our young learners celebrated **Onam** with great joy, enthusiasm, and togetherness. As part of the celebration, the children worked collaboratively to create a beautiful **Pookolam**, filling it with vibrant colours, creativity, and the beauty of different flowers.

Through this hands-on learning experience, the children explored various kinds of flowers and learned how to decorate their classroom beautifully. They helped one another in creating the Pookolam, making the activity a wonderful lesson in **teamwork, cooperation, creativity, and sharing**.

The celebration also provided an opportunity for our young learners to learn about the rich culture, traditions, and specialities of different states of India, helping them appreciate the diversity of our country.

The festive atmosphere became even more cheerful as the children danced around the colourful Pookolam and celebrated the joyous spirit of Onam together.

The celebration was a beautiful blend of culture, creativity, learning, and togetherness, creating joyful and memorable experiences for our little learners.

INDEPENDENCE DAY CELEBRATIONS

Celebrating the Spirit of Independence

Our school celebrated **Independence Day** with great pride, patriotism, and enthusiasm. Our young learners showcased their love for the nation through vibrant cultural performances, including a wonderful national song, graceful dances, inspiring speeches in **English, Hindi, and Tamil**, and an engaging skit presented by our talented students.

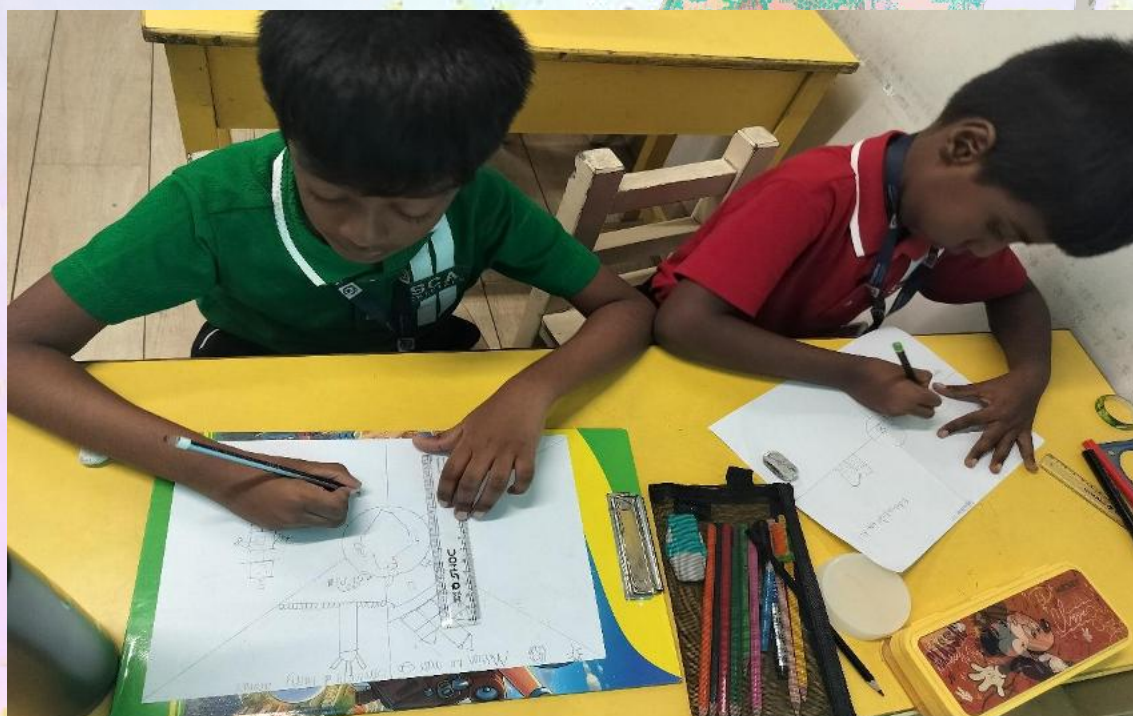

The celebration was further enriched with meaningful **classroom activities based on the colours of our national flag**, helping children understand the significance of the tricolour and the values it represents. Through these activities, students learned the importance of freedom, unity, responsibility, and their role as responsible citizens of our nation.

The celebration was a meaningful and memorable tribute to the spirit of India, inspiring our young learners to cherish their nation and grow into responsible and proud citizens.

KUDOS CARD

At Shraddha Little Champs, every Monday begins on a positive note with our Weekly Kudos Cards. These appreciation cards are presented to students who have displayed commendable qualities during the previous week.

Children are recognized for various positive behaviours such as being attentive in class, showing kindness, maintaining neatness, participating actively, demonstrating leadership, improving their handwriting, listening carefully, working hard, and many more.

This initiative aims to encourage children to develop good habits and understand that every positive effort, big or small, is valued. Receiving a Kudos Card fills our young learners with pride, boosts their confidence, and motivates them to continue giving their best.

At the same time, it inspires their classmates to practise these qualities in their everyday school life, creating a classroom culture filled with encouragement, responsibility, and appreciation.
