Vijayadasami

The Vidhyarambam ceremony

A beautiful start for our new Pre-KG and Playgroup admissions. The special day began with a pooja, where parents joined their little ones to seek God's blessings for a joyful learning journey ahead.

Families happily took part in the celebration, capturing precious moments at the photo booth and cherishing the children's fun-filled activities.

Each child carried home a laminated palm print as a sweet keepsake – a reminder of their very first step into school life.

Project Day

The Pre-KG children explored the theme “Garden to Plate,” learning how food reaches our plates through fun visuals and activities.

The children presented their theme
“All about Plants,” sharing their
knowledge about seeds, growth, and
their types.

UKG kids explaining about the process of farming

The LKG theme, “The Farm,” came alive with miniature farm setups, animals, and crops

The highlight of the day was the fruits and vegetables salad display, which turned into a colorful and healthy treat for everyone.

SPOT THE DIFFERENCE

Riddle for the month

I have a tail and a head, but no body. What am I?

(clue: starts with letter "C")

Let's Explore

Paper cup phone:

1. Take two Paper cups.
2. Poke a hole in the middle of the bottom of each cup.
3. Cut a piece of string at least 5 inches long. Then, pull either end of the string through the bottom of each cup.
4. Tie a paper clip to each end of the string. The paper clips will keep the string from pulling out of the cups.
5. Have your friend place their cup over one of their ears while you speak into your cup. Can they hear you?
