KAIZEN 2026 – EMPOWERING EDUCATORS ACROSS SHRADDHA GROUP OF SCHOOLS

The academic year commenced with Kaizen 2026, the Annual Professional Development Programme conducted across the Shraddha Group of Schools, bringing together educators from all branches for an enriching learning experience.

Our teachers participated in a series of insightful sessions led by renowned experts including Aarti Rajarathnam, Krithika Devi, Dr. Indra Subramani, and several other distinguished education professionals. The programme focused on strengthening teaching practices while equipping educators with the knowledge and skills required to nurture young learners in today's evolving educational landscape.

Through interactive workshops, practical demonstrations, and collaborative discussions, teachers gained valuable insights that can be seamlessly integrated into their classrooms.

We extend our sincere gratitude to the Management, Principal, and all the expert resource persons for investing in the growth of our teachers and inspiring a culture of lifelong learning.

Kindergarten celebrated Music Day on 19th June with a joyful blend of rhythm, movement, and fun. Our teachers gave classic nursery rhymes a fresh twist through creative fusion performances, engaging the children in singing, dancing, and interactive musical activities.

The celebration encouraged children to appreciate the music they hear every day while exploring rhythm, melody, and movement in an enjoyable way.
