BLUE DAY – BLUE AND BRIGHT, CARING FOR OCEAN RIGHT!

Kindergarten celebrated Blue Day on 6th August with the theme “Keep the Ocean Clean.” Children came dressed in shades of blue, symbolizing the vast and beautiful sea.

PKG enjoyed a water play activity where they scooped out toy trash from tubs of blue water, learning the importance of keeping oceans clean. They also created a tear-and-paste craft titled “Rainbow Fish – Keep My Ocean Clean.”

LKG and UKG were engaged through a storytelling and puppet show of “Somebody Swallowed Stanley,” which highlighted how plastic harms sea creatures and why we must protect their home.

The celebration helped children understand that just like us, fish and sea animals are happy and healthy when their ocean is clean.

EXCITING HAPPENINGS

Testimony Corner

This month, our little ones practiced folding napkins, buttoning shirts, and arranging their snack boxes—steps toward independence and confidence.

💬 “Benu and Bea organised their wardrobe on their own, folding all the clothes neatly. They surprised me yesterday evening with their tidy cupboard. Keep up your noble work, ma’am.”

— Voice of Parents

🌟 We encourage all parents to guide children in practicing these skills at home, making them proud and responsible.
