# HEALTHY LIFESTYLE KINDERGARTEN SPORTS DAY

The Kindergarten Sports Day was celebrated with great enthusiasm under the theme “Healthy Lifestyle.” We were honoured to have Ms. Kushee M. Jain, National Hockey Player, as the Chief Guest, whose presence inspired our young learners to value fitness and discipline.

Every child proudly wore a “Wellness Champion” badge, highlighting the message that healthy habits start early. The event began with an impressive March Past, followed by the Victory Torch lighting by Amanda Joseph of UKG and the Sports Oath, where children pledged to play with joy and true sportsmanship.

Exciting theme-based events such as “Run and Rub,” “Choose Healthy from Junk,” and “Twist and Turn to the Pole” kept the field vibrant. The Mass Drill by PKG with frisbees, LKG with dumbbells, and UKG with hula hoops showcased energy and coordination. The celebration concluded with lively parent games and the Prize Distribution, making it a memorable day of fitness, fun, and teamwork

## GIGGLES & TALES

On 28th February, the campus came alive with joy during “Giggles & Tales,” a delightful storytelling and sing-along session led by renowned storytellers Jeeva Raghunath and Krishna Iyer, along with their talented team – Nelson on keys and Sunetra as performer. Their engaging stories, lively songs, and expressive narration captivated everyone in the room, from the tiniest listeners to the adults.

The joyful morning created a lasting impact on young hearts, with laughter, cheer, and endless giggles filling the session. Following this, the Kindergarten teachers organised a Doodle Art Corner, where children coloured freely and expressed their creativity.

The celebration continued with an indoor play arena, offering both free play and structured games such as String and Stick, Catch the Fish, Balance Walk, and Montessori-based activities. The day truly lived up to its name – filled with joy, giggles, and tales, with the campus echoing with laughter and happiness.
