JUNIOR ANNUAL DAY

Our Kindergarten Annual Day was a joyful celebration of Nature – **5 Years of Wonder**, marking five beautiful years of our school's journey filled with learning, laughter, and growth. The event reflected our belief that children, like nature, grow best when nurtured with care, curiosity, and creativity.

The celebration came alive through vibrant performances by our young learners, each grade beautifully portraying an aspect of nature.

Pre-KG children delighted the audience with their charming performances themed around Birds and Insects. With colorful costumes and lively movements, our tiny tots showcased the beauty of fluttering butterflies, peacock and bees , reminding us of the smallest yet most fascinating wonders of nature.

JUNIOR ANNUAL DAY

LKG students took us on a joyful journey through the Seasons. From the freshness of spring and the brightness of summer to the calm of winter and the joy of rainy season their performances reflected the changing moods of nature and the rhythm of life.

UKG students confidently portrayed the Five Elements of Nature — Earth, Water, Fire, Air, and Space through expressive dances they highlighted the importance of harmony among these elements.

The Annual Day was not just a celebration, but a reflection of five years of dedication, growth, and shared memories. As we celebrate this milestone, we look forward to many more years of nurturing young minds and hearts, rooted in values and inspired by nature.

REPUBLIC DAY

Republic Day was celebrated with great enthusiasm and patriotic spirit at our Kindergarten. The children came dressed in the tricolour attire, proudly reflecting the colours of our national flag and creating a vibrant and joyful atmosphere.

To help the children understand the significance of this important day, a presentation was shown in an age-appropriate and engaging manner. Through colorful visuals and simple explanations, the children learned about Republic Day, our National Flag, the Constitution of India, and the values of unity, freedom, and equality.

The interactive session encouraged curiosity and participation, making learning both fun and meaningful. The celebration helped instill a sense of patriotism and respect for the nation in our young learners, laying the foundation for responsible and proud citizens of tomorrow.

PURPLE DAY

To celebrate Purple Day, the children enjoyed a fun and creative activity where they coloured using purple and made flowers from their artwork. These flowers were proudly displayed, creating a bright and meaningful Purple Day display.

As part of the celebration, the teachers enacted the story "Poppy the Purple Flower". Through the story, children learned about being unique, showing kindness, and accepting differences. The story helped them understand the importance of caring for and supporting others in a warm and engaging way.

It was a joyful day filled with creativity, learning, and lots of purple!
