ASSEMBLY

FIRST ASSEMBLY LEARNING THE VALUE OF RESPONSIBILITY

UKG A presented the first assembly on the meaningful theme of **“Responsibility.”** The young learners showcased their understanding of the value through a vibrant and engaging presentation.

The assembly featured a thoughtful ‘Thought for the Day’, Vocabulary words related to the theme, and an entertaining performance that brought the message of responsibility to life. Through their confident participation and enthusiastic presentation, the children beautifully demonstrated the importance of being responsible in our everyday lives.

It was a wonderful first assembly that combined learning, creativity, and performance, leaving everyone impressed by the confidence and enthusiasm of our young learners.

EYE CHECK-UP DAY AT KINDERGARTEN

An eye check-up was conducted for all the children at school as part of a routine health screening initiative. The screening helped assess each child's vision and identify any early signs of eye-related concerns. The children participated enthusiastically, making the experience comfortable and reassuring. Regular eye examinations play an important role in supporting children's overall well-being and ensuring they are able to learn, play, and grow with healthy vision.

CREATING TOMORROW THROUGH IMAGINATION

Our UKG learners participated in their first competition on 1st July 2026, themed “FutureScape – Imagining Tomorrow, Creating Today.” The competition encouraged children to think creatively about the future and express their ideas through engaging activities.

The children participated in two exciting events: Future Hoodwink – Puzzle Competition, where they solved a puzzle independently, and Veg ‘O’ Future Sketch, where they used vegetable printing and sketching techniques to create artwork inspired by the theme.

The competition provided a wonderful platform for our young learners to showcase their creativity, problem-solving skills, imagination, and confidence. It was an exciting and enriching experience as they took their first steps towards the upcoming interschool competition.

CREATING TOMORROW THROUGH IMAGINATION

CREATING TOMORROW THROUGH IMAGINATION

Our LKG learners enthusiastically participated in their first competition, themed "FutureScape – Imagining Tomorrow, Creating Today." The event inspired young minds to explore the world of tomorrow through imagination, creativity, and confident self-expression. The children took part in two exciting events: Future Rhymes, where they confidently recited theme-based rhymes with expression and enthusiasm, and Fab in Disguise, where they dressed up as imaginative futuristic characters and showcased their creativity with confidence and charm. The competition provided a wonderful platform for our little learners to build self-confidence, enhance their communication skills, and express their creative ideas. It was a fun-filled learning experience that encouraged every child to participate with joy and confidence.

CREATING TOMORROW THROUGH IMAGINATION

RAINBOW WEEK - CELEBRATING COLOURS, CREATING MEMORIES

Rainbow Week at Shraddha Children's Academy Kindergarten transformed every colour into a meaningful learning experience. From bringing stories to life on Red Day, exploring marine life and ocean conservation on Blue Day, celebrating nature and healthy living through Yellow and Green, discovering the butterfly's life cycle and finding joy in little things on Purple Day, making fresh orange juice on Orange Day, to learning about eye care and reducing screen time on Black & White Day, each activity was thoughtfully designed with clear learning outcomes.

Adding to the celebration, children brought healthy rainbow-coloured snacks each day, and we sincerely thank our parents for their wonderful support. Rainbow Week was beautifully planned and executed by the dedicated teachers of Shraddha Children's Academy Kindergarten, making learning colourful, joyful, and truly unforgettable

TIGER DAY

ROAR, LEARN & EXPLORE!

Tiger Day was celebrated on 29th July 2026 with great excitement across the Pre-KG, LKG, and UKG classrooms. Through an engaging presentation, the children discovered fascinating facts about tigers, learning about their habitat, characteristics, and the importance of protecting these magnificent wild animals.

The celebration came alive with the energetic "Roar and Go" activity for our Pre-KG and LKG learners, where the children joyfully roared, stretched, and moved like tigers, making learning both active and fun.

Our UKG learners enjoyed an adventurous Jungle Crawl activity using tiger masks. A jungle-themed obstacle pathway, created with chairs and ribbons, challenged the children to crawl through like tigers. The excitement doubled as pairs of children raced through the course, adding a spirit of friendly competition and teamwork.

Tiger Day was a perfect blend of learning, movement, creativity, and adventure, inspiring our little explorers to appreciate wildlife while creating joyful memories together.

TIGER DAY

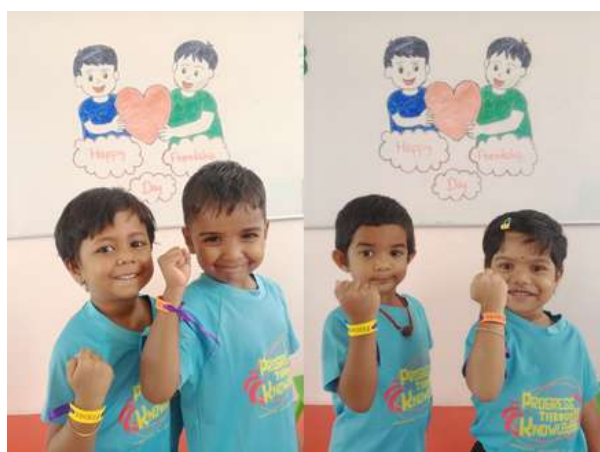

CELEBRATING THE JOY OF TOGETHERNESS

At Shraddha Children's Academy Kindergarten, Friendship Day was a heartwarming celebration of love, kindness, sharing, and the beautiful bonds formed during a child's early years of school. Across all three clusters—PKG, LKG, and UKG—every section organized fun-filled games that encouraged teamwork, cooperation, and the true spirit of friendship, filling the day with laughter and happy memories.

Our little learners expressed their affection in special ways. PKG children joyfully exchanged friendship bands as a token of love and togetherness, while LKG and UKG children brought back the timeless tradition of creating handmade friendship cards. With tiny hands and big hearts, they enthusiastically crafted colourful cards and exchanged them with their friends, making each gesture meaningful and memorable.

The celebration beautifully reminded our children that friendship begins with a smile, grows through kindness, and creates memories that last a lifetime.

EXCITING HAPPENINGS

The little moments we share with our children at the dinner table can become meaningful opportunities for connection and learning. Instead of asking the usual “How was school?”, try starting conversations that encourage your child to share their thoughts, feelings, and experiences.

What made you smile today?

Who did you help today?

What new thing did you learn?

Which colour was your favourite today?

What made you feel proud today?
