## Children's day

Children's Day is a joyful occasion that celebrates the happiness, innocence, and bright spirit of every child. On 14th November 2025, the Kindergarten block of Shraddha Children's Academy, Padur buzzed with excitement as teachers presented a special programme just for their little ones.

The celebration began with a lively musical performance by the teachers. Their expressive singing created a cheerful atmosphere and filled the hall with smiles. This was followed by an energetic dance performance, where the teachers' colourful moves and joyful expressions had the children clapping, giggling, and dancing along.

A fun-filled skit by the teachers added more laughter to the day, with its playful characters and simple, meaningful messages. The children watched with excitement from start to finish.

As a thoughtful takeaway, each child received a piggy bank, along with a simple lesson on the importance of saving money and building good habits early.

The celebration ended with happy hearts, bright smiles, and unforgettable memories—making Children's Day truly special for every little learner.

# ORANGE DAY

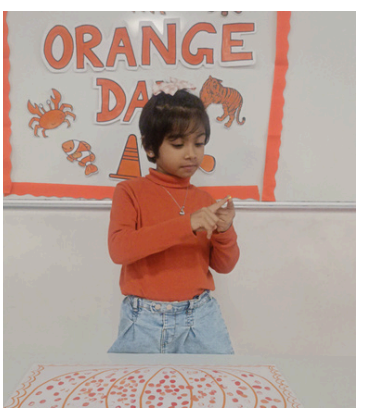

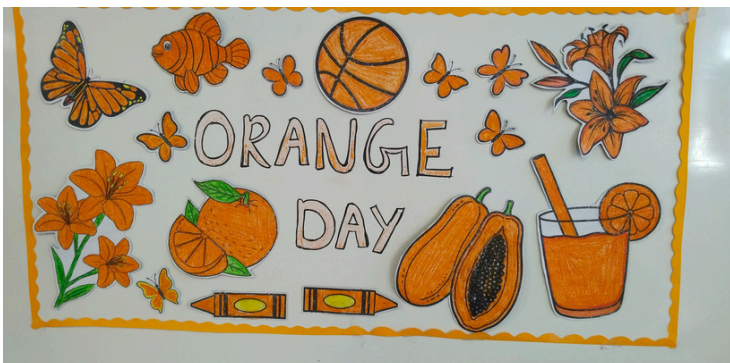

## Orange Day Celebration

Orange Day was joyfully celebrated across the Kindergarten on 19th November 2025. The campus looked bright as children explored the colour orange and learned how orange foods like carrots, oranges, and pumpkins help keep us strong with Vitamin C and other nutrients.

Pre-KG children had fun squeezing orange-coloured water into bottles, strengthening their motor skills while enjoying the activity. LKG students learned to peel their own oranges, discovering the fruit's smell, texture, and juiciness.

UKG children enjoyed a Colour Mixing activity, combining red and yellow to make orange, followed by a cute Pumpkin Thumb-Print Art task.

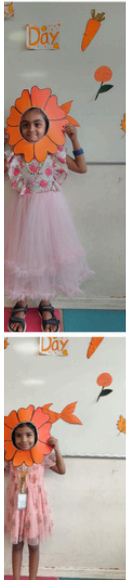

The day was filled with colour, creativity, and joyful learning. Children went home with happy smiles and a bright appreciation for the beauty of orange!

# COMPETITIONS

A vibrant and creative atmosphere filled the Kindergarten block on 26th November 2025 as children took part in exciting competitions that encouraged imagination, fine-motor skills, and self-expression.

Pre-KG children enjoyed a cheerful Colouring Competition using a peacock cutout, happily filling its feathers with bright colours. Their enthusiasm and vivid artwork reflected growing coordination and love for colouring.

LKG students participated in a Clay Modelling Competition themed “Nature,” creating trees, flowers, animals, and even ocean elements like fish, turtles, and waves. Through this, they learnt about the beauty of nature and the importance of protecting our oceans.

For UKG children, a unique competition—“Inanimate Objects Into Life”—sparked creativity. They transformed simple non-living objects into lively characters using imagination and art, showcasing originality and storytelling skills.

The day was filled with joy, creativity, and active participation, beautifully highlighting each child’s growing confidence and talent.

## Christmas Day Special at Home: “The Little Star Surprise!”

Make Christmas bright and happy with a sweet activity at home!

### Activity: “Follow the Star Trail”

Place small star stickers or paper stars around the house.

Each star has a tiny, simple task like:

- ★ Sing “Jingle Bells”
- ★ Find something red
- ★ Give someone a smile
- ★ Do a little happy dance

1.

#### Final Star

The last star leads to a small surprise kept in a cute spot — a sticker, bookmark, tiny toy, or a note that says:

“You shine bright like a Christmas star!”

A short, fun activity that fills the home with joy, giggles, and Christmas magic.

## December 2025

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
