TEACHERS' DAY DELIGHT

On 4th September, our campus was beaming with cheers, joy, and gratitude as we celebrated the timeless efforts of our beloved teachers. From the very start of the day, our little Kindergarten stars—along with students from Grade 1 to 12—expressed their appreciation through thoughtful gifts, colourful cards, and heartfelt thank-you notes.

The celebration beautifully highlighted the love and learning that teachers share each day. A special treat came from our ever-supportive PTA members, who added extra sparkle by hosting fun games, preparing handmade cards, and serving home-baked cake that everyone enjoyed.

To make the occasion even more memorable, students across grades presented lively performances, filling the day with music and smiles. The grand finale was the team lunch organized by the management, ensuring our teachers felt cherished for the care and dedication they give our children every single day.

It was truly a day of gratitude and joy—one that our Kindergarten family will treasure!

ONAM CELEBRATION

On 4th September, the Kindergarten wing bloomed with festive colors as teachers created stunning pookkalams (floral rangoli) in every cluster. PKG, LKG, and UKG teams worked together to design beautiful patterns, each more vibrant than the next.

Our little ones looked delightful in traditional Kerala attire, bringing the spirit of Onam alive. They listened eagerly to the story behind this harvest festival, gaining a glimpse into its rich culture and tradition. Joyful moments were captured as children posed for photos beside the pookkalam and danced gracefully to traditional Onam music.

The celebration wrapped up with warm wishes of “Onashamsakal!”—a perfect ending to a day filled with learning, culture, and togetherness.

YELLOW DAY

BUZZING WITH SUNSHINE: YELLOW DAY CELEBRATION

Our kindergarten hall turned into a cheerful hive as our little ones celebrated Yellow Day with the heart-warming theme “Sharing is Caring.”

Teachers opened the celebration with a delightful honeybee story that showed how bees spread joy by working together and sharing. The children were thrilled to watch their teachers perform the lively storytelling session, giggling and clapping as the bees buzzed across the stage.

Dressed in sunny shades of yellow, the children explored the color of sunshine and happiness through songs, games, and creative yellow-themed activities. Each activity reminded them that—just like honeybees—teamwork, kindness, and sharing make the world sweeter.

The day ended with bright smiles, happy hearts, and a wonderful life lesson:

When we care for one another and share what we have, we can all make the world a golden place!
