KG PROJECT DAY - SAVISHKARA

The KG Project Day, Savishkara held at Shraddha Tambaram was a vibrant and engaging event designed to showcase the academic and personal growth of students throughout the year.

Interactive Exhibits and Performances

The day featured interactive exhibits and performances, providing a platform for students to demonstrate their skills and consolidate their learning. Through engagement in hands-on activities and the encouragement of creative expression, the event cultivated a more profound comprehension of their academic subjects.

The KG Project Day was a grand success, underscoring the significance of play-based learning and the collaborative synergy between students and educators. The event fostered an atmosphere of joy, showcased the learning of the students, and cultivated a strong sense of community, leaving a significant and positive impact on all participants.

SPORTS DAY

Sports Day marks the vibrant celebration of athleticism, teamwork, and school spirit. Shraddha Children's Academy, Tambaram successfully conducted a delightful Sports Day that brought excitement and a sense of achievement to the children and unbridled joy to the spectators.

The Sports Day featured a variety of fun and age-appropriate activities designed to engage the kindergarteners while promoting physical fitness and teamwork.

A hallmark of Shraddha's Sports Day was the emphasis on participation and encouragement. Every child was cheered on and emphasis was placed on the joy of participation rather than competition.

It was a day filled with laughter, enthusiasm, and heartfelt cheers, leaving lasting memories for the children and their families. The event highlighted the importance of physical activity and teamwork from an early age, while also demonstrating how sports can be a joyful and inclusive experience for all.

PARENT-TEACHER MEETING

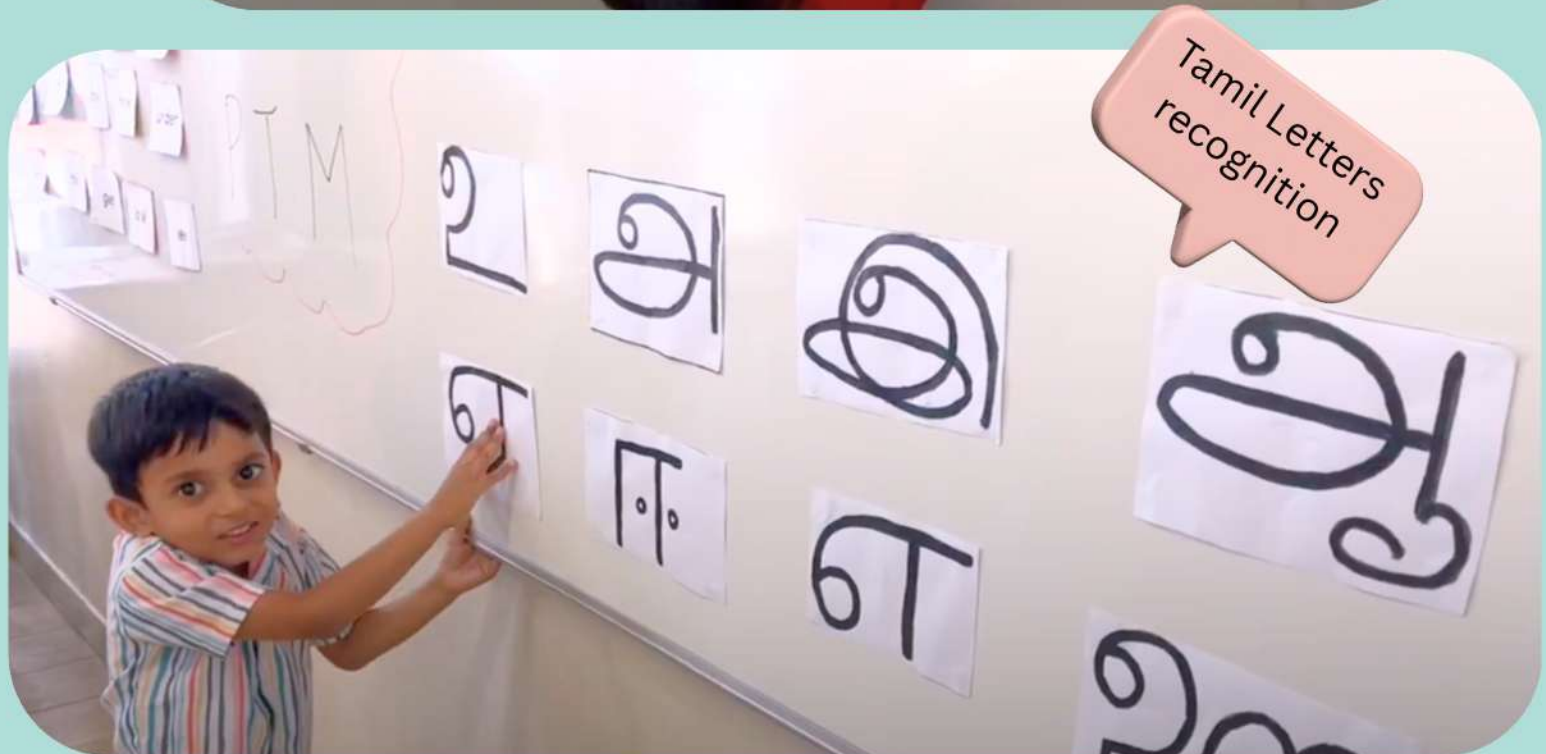

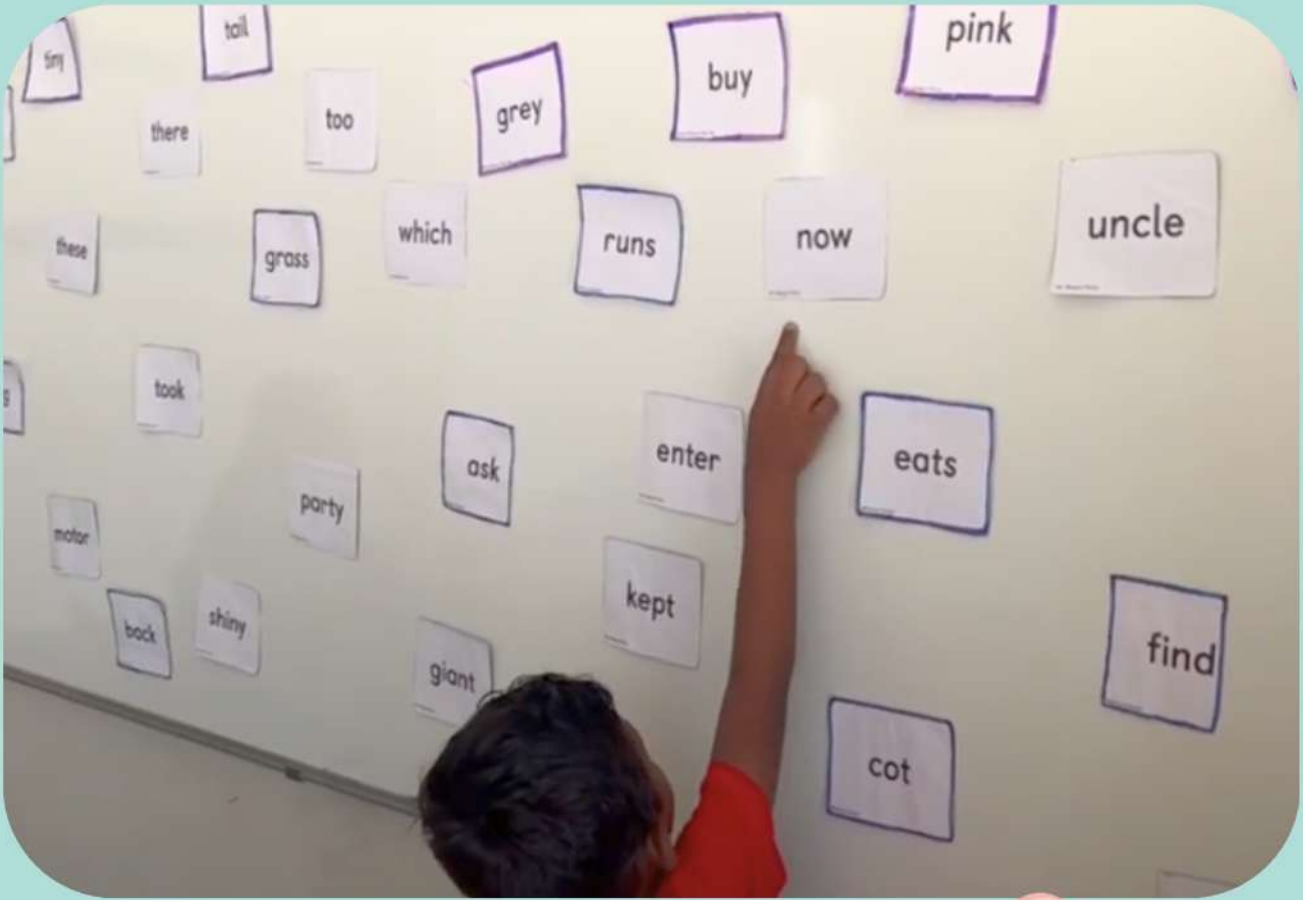

The 'PTM with a difference' focused on play-based learning in early childhood education, engaging children through educational and entertaining activities. This move away from the traditional discussion between the parent and the teacher provided the opportunity for parents to witness the academic growth of the children first-hand.

The event was a delightful blend of play-based activities designed to showcase the learning and development of our young students over the past term. The event showcased the academic progress, covering languages, mathematics, EVS, and even arts, in a playful, interactive manner, ensuring young learners' enjoyment and engagement.
