Sports Day 2026: The Highlights! 🏆

An unforgettable day! Our Kindergarten Sports Day was an absolute success, filled with endless laughter, high energy, and big smiles. Our young athletes showed incredible determination, teamwork, and sportsmanship across every single event.

Masquerade Fancy Dress: Nature, Heroes & Eco-Stars!

Our Kindergarten Masquerade Day competition brought learning to life as our little ones wore creative masks to explore Nature's Wonders, honor our everyday Community Helpers, and practice keeping our planet Safe & Clean! From modeling butterflies, doctors, and eco-heroes during our grand hallway parade to hands-on recycling games, our young learners enthusiastically showcased their knowledge of how kindness, environmental care, and helping hands make a strong community.

Illuminating India: National Symbols Shadow Play

Our Kindergarten Shadow Play activity lit up the stage as light and silhouettes brought India's national symbols to life for our young audience! As shadows of the proud Bengal tiger, dancing peacock, sacred lotus, and the iconic Ashoka Chakra unfolded across the screen, our little learners used their imagination to explore our country's rich heritage and celebrate the values of pride and unity that connect us all.

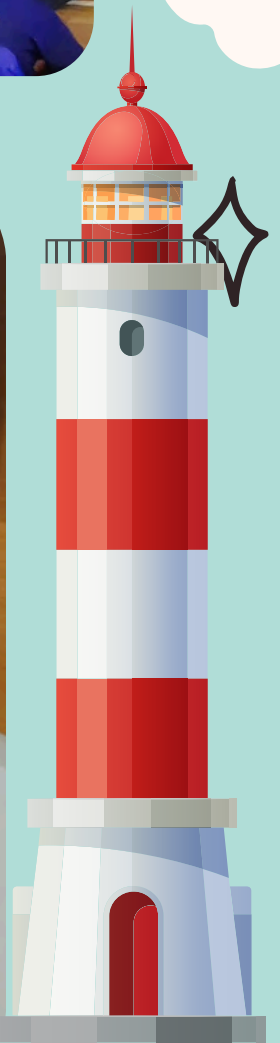

Past to Present: Kindergarten Celebrates Madras Day!

Our Kindergarteners celebrated Madras Day by taking an exciting journey through time to explore Old and New Madras! Through engaging visual displays, our little learners discovered how historic landmarks like Fort St. George and traditional bullock carts transformed into modern skyscrapers and metro trains, instilling pride in our city's rich heritage and vibrant growth.

Connecting Generations: Celebrating Our Grandparents! ❤️

Our Grandparents Day celebration was a heartwarming event filled with smiles, music, and precious memories! The occasion began with a warm welcome featuring cheerful songs and dance, followed by fun, engaging games designed for our special guests. It was a beautiful day honoring the wisdom, unconditional love, and joy that grandparents bring into our children's lives.

Feathers, Fins & Fur: Exploring the Animal Farm!

Our little learners set off on an exciting field trip to an animal farm to discover a wonderful variety of unique creatures! Through guided observation, the children saw camels, ostriches, colorful birds, fishes, and gentle rabbits up close while learning about their distinct habitats and diets. It was an enriching experience that nurtured curiosity, empathy, and a deep appreciation for nature.

🌻 Colors, Tradition & Joy: Our Onam Celebration! 🌿

Onam

Our Onam celebration introduced our little learners to the rich culture and heritage of Kerala! Through guided observation, the children explored traditional Pookalams (flower carpets), learned about the significance of the harvest festival, and experienced traditional music and attire. It was a wonderful opportunity that nurtured an appreciation for cultural diversity and community togetherness.
