Masterpieces in Clay! "Shape Me Up" Competition Highlights

Our Kindergarten classroom transformed into a buzzing artist studio during our "Shape Me Up" Clay Modeling Competition! Our young sculptors rolled, pinched, and shaped their way through incredible imaginative creations across our three themes: Underwater World, Nature, and Blossoms & Flowers.

Energy, Play & Partnership: Synergy @ Shraddha

Laughter, teamwork, and high-fives filled our campus during Synergy @ Shraddha—our special game-filled event bringing parents and students together! It was heartening to see parents step back into the world of play, partnering with their young learners to take on fun, collaborative challenges.
