# SPORTS DAY

**"Champions are made through dedication, teamwork, and determination."**

Shraddha Children Academy, Tambaram, celebrated its 4th Annual Sports Day with great enthusiasm and excitement. The event began with a warm welcome to our Chief Guest Mr. Mohan Durai Solomon. The celebration commenced with a colourful and disciplined March Past, where students proudly marched in their respective houses, displaying unity, coordination, and team spirit. A variety of track and field events and fun games for parents were conducted. The presence of parents made the occasion even more special.

# SYNERGY @ SHRADDHA

Shraddha's Synergy – Play,  
Bond & Celebrate!

At Shraddha's Children's Academy, Synergy brings children, parents, and friends together for a day filled with fun, games, laughter, and bonding. Children with parents happily bring their friends along, making every moment more joyful and memorable.

Together we play, connect,  
and create beautiful  
memories!

# CLASS ACTIVITY

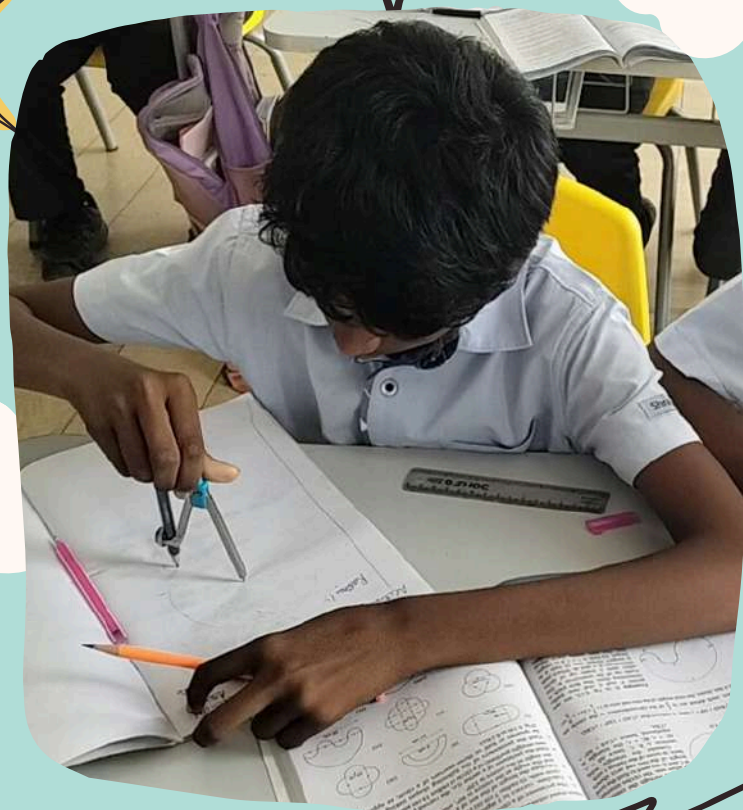

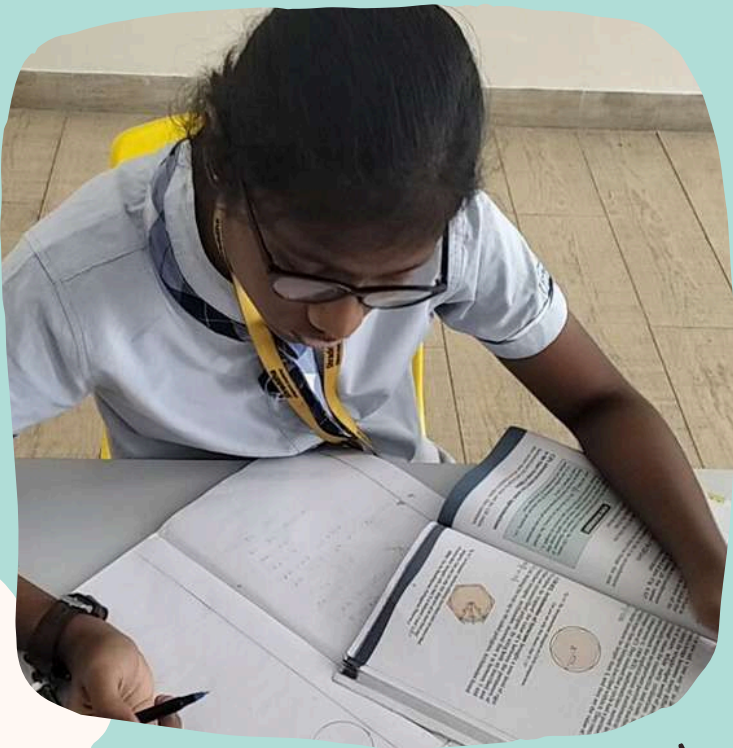

## Friendship day

The students of Grade 1 and Grade 2 at Shraddha Children Academy, Tambaram celebrated Friendship Day with great excitement and joy. As part of the celebration, the students enthusiastically participated in a Friendship Craft Card Activity. Using colourful papers, stickers, drawings, and heartfelt messages, each child created a beautiful friendship card for their classmates.

# CLASS ACTIVITY

The students of Grade IX explored the relationship between the circumference and diameter of a circle through a hands-on activity. By measuring, observing, and collaborating, they discovered the meaning of  $\pi$  beyond simply memorising a formula.

# CLASS ACTIVITY

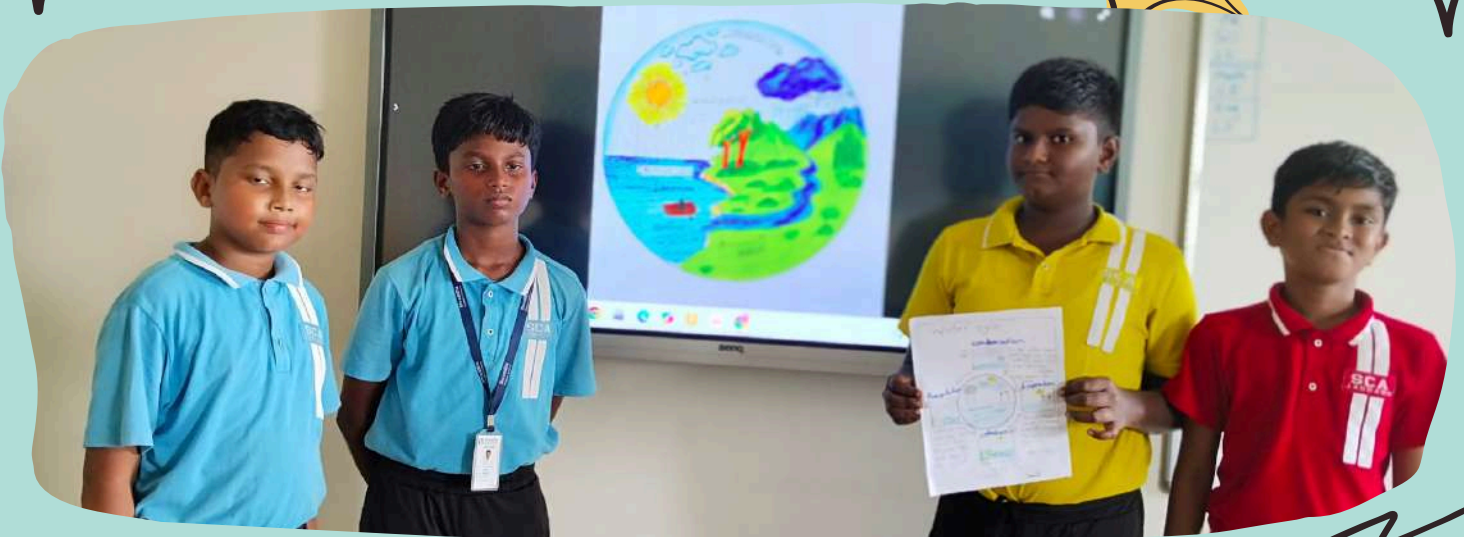

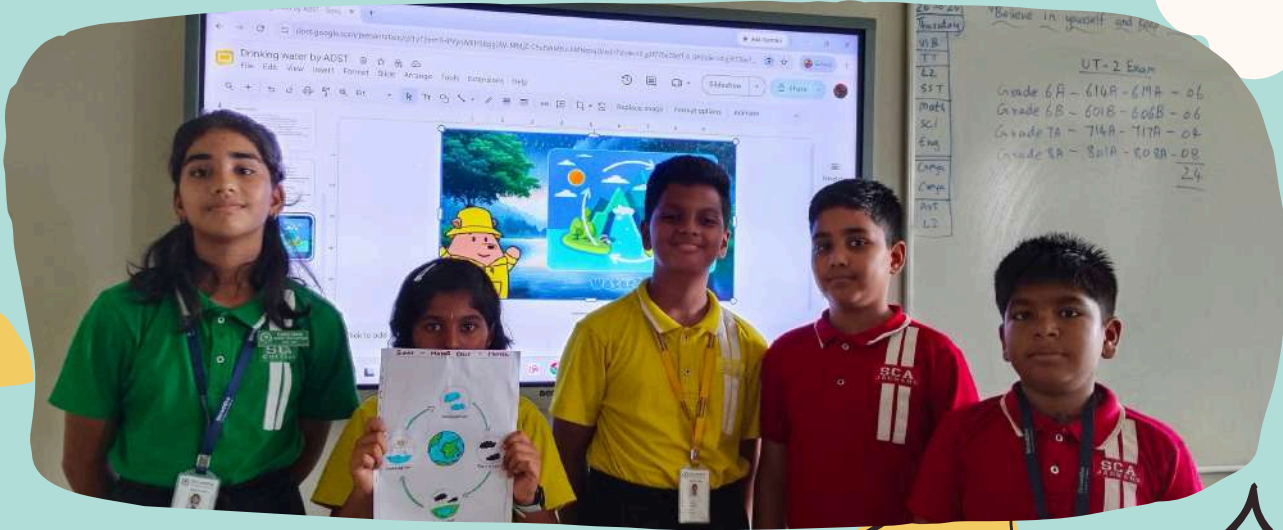

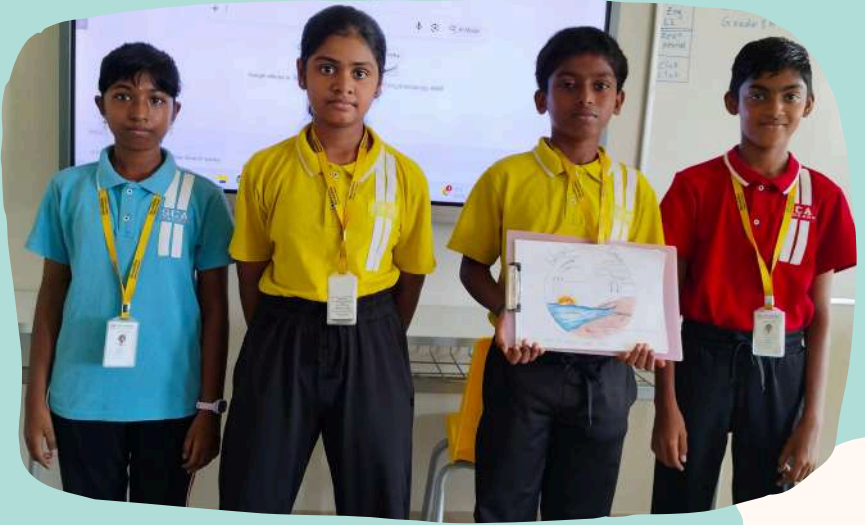

Through classroom activities, the students of Grade VI - A demonstrated practical water-saving habits.

They created chart work to reflect their learning and understanding of water conservation. The activity encouraged them to value every drop and use water responsibly.

# CLASS ACTIVITY

Students of Grade VI - B explored the everyday uses of water, including drinking, cleaning, agriculture, and industrial activities. They learned simple ways to conserve water and avoid wastage in daily life. Through classroom activities, students demonstrated practical water-saving habits. The activity encouraged them to value every drop and use water responsibly.

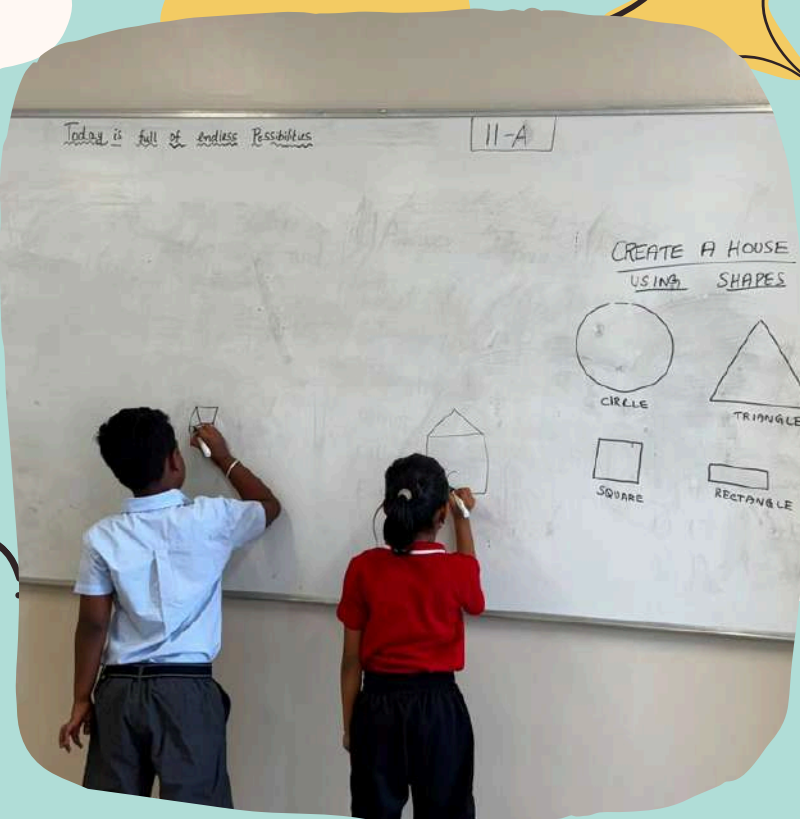

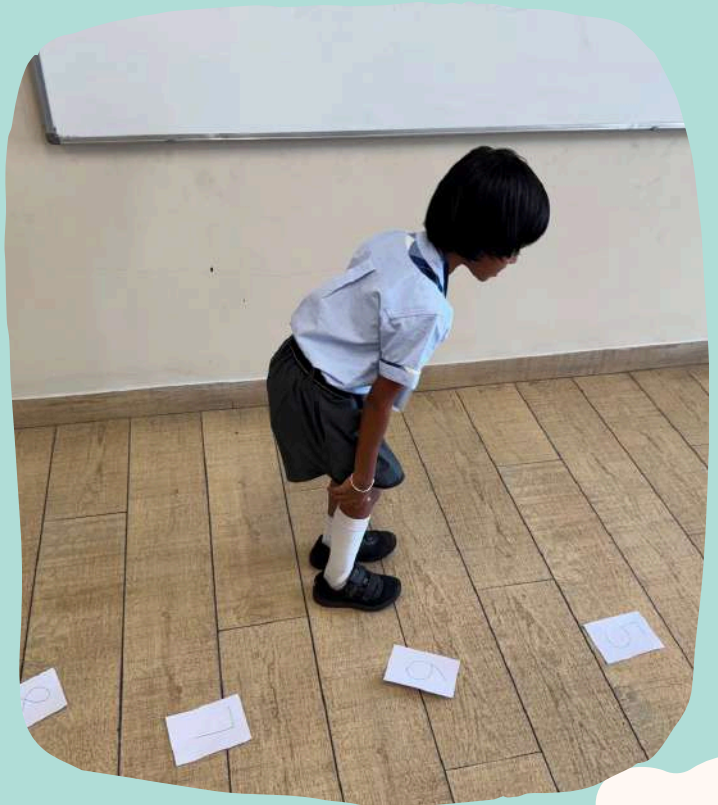

# SCIENCE LAB

The Students of Grade VII - A explored open and closed circuits through a hands-on activity. They connected wires, a battery, switch, and LED bulb to observe the ON and OFF positions. The activity helped them understand how a circuit works through practical learning.

# CLASS ACTIVITY

Students learned numbers, backward counting, and shapes through engaging classroom activities, making mathematics interactive, enjoyable, and meaningful.

The activities encouraged students to learn through hands-on practice, participation, and exploration.

# ECO CLUB
